

Wurth 'Classic' number plate frames part # 0826 1

(Wurth UK) Order details *(info correct @ October 2016)*

0826 11 = box 100 pieces complete unbranded 'Classic' number plate frame

0826 998 = 'Brand' printing charge per order

0826 999 = one off set up charge to print driver file

Note Wurth also offer several **incompatible with TPH-2** number plate mount frames including 'Basixx', 'Twin-Fixx', 'Klapp-Fix' and 'Clipster' products.

Wurth 'Circo' and 'Classic' frames share a design feature which leads us to believe it is compatible with TPH-2

TPH-2 is incompatible with

'FrameTek' - a Hills Numberplates product, 'Euroclip' MAT8500' – a Sumex product generally available and **most** number plate 'trim plates'
